SUBJECT No. 358.

Loans to build houses in Yedatore extension.

Mr. Badami Achaiya Setti, Yedatore Taluk.

Summary of discussion.—Loans may be granted free of interest to the poor who wish to build houses in the Yedatore extension.

Reply of Government.—A Co-operative Society may be started to help those who wish to build houses.

HASSAN DISTRICT.

(NOS. 359 TO 378.)

SUBJECT No. 359.

A more commodious building for the Hassan High school.

Mr. S. Ramanna, Hassan Municipality.

Summary of discussion.—The present High school building at Hassan was constructed long ago, and consequently there is not sufficient accommodation for the number of present students. A new building may be constructed and the existing one made use of for the Kannada school.

Reply of Government.—The construction of a new building is under consideration and a site for the school is being selected.

SUBJECT No. 360.

Early removal of the Kannada school from the present building.

Mr. Lakshminarasimhachar, Hassan Taluk.

Summary of discussion.—The existing building used for holding the Kannada school at Hassan is not in good repair. It is prayed that orders may be passed early to construct a new building for the use of the High school at Hassan so that the existing High school building may be utilized for the Kannada school.

Reply of Government.—See reply to previous subject.

SUBJECT No. 361.

Construction of an annachattram at Hassan.

Messrs. N. D. Naranappa, Hassan Municipality, and Channakesava Chetty, Hassan Taluk.

Summary of discussion.—The want of a suitable and commodious building for the annachattram at Hassan, is very keenly felt. Early orders may be passed sanctioning the construction of the building out of the funds saved by the discontinuance of feeding at the place.

Reply of Government.—A report will be called for.

SUBJECT No. 362.

A bridge across the Hemavati river near Gorur.

Messrs. N. D Naranappa, Hassan Municipality, Venkatasubbaiya and Ramasawmy Chetty, Arkalgud Taluk.

Summary of discussion.—At the time of floods it is extremely difficult and dangerous to cross the Hemavati near Gorur, and consequently travellers are put to the necessity of going to Arkalgud from Hassan *via* Hole-Narsipur. It is prayed that the construction of this long pending bridge may be undertaken at an early date, so as to afford convenience to the travelling public.

Reply of Government.—Can be done only when funds become available.

SUBJECT No. 363.

A building for the Government girls' school at Arkalgud.

Messrs. Venkatasubbaiya and Ramasawmy Chetty, Arkalgud Taluk.

Summary of discussion.—Since there is no suitable Government building for locating the Government girls' school at Arkalgud, it is prayed that one may be constructed for the purpose.

Reply of Government.—Noted. Will be considered as funds become available.
